Mrs. Howard is very pleased with the way we are keeping informed on Firefly. A tech is onsite from Dominion for L&A. Mrs. Howard reminded us if anyone brings any equipment for delivery to this office, to send them over to the other building..

VII. Site Updates: The address for the elections satellite office is 188 Jackson Avenue, Talbotton, Georgia. The floors need to be cleaned at this point. A mirror is needed for the bathroom.

VIII. Voting Equipment Update: We have not received everything that will be needed for the March election. Marjorie has reserved a twenty foot truck to take voting equipment to the precincts. She said two trips might have to be done. We are in the process of assigning equipment to each precinct.

IX. Upcoming Events: Mrs. Robinson and Mrs. Bulloch are planning on being at Career Day at the Central Elementary High School on March 10, 2020. We will have a table set up for elections. There is also a Community Meet and Mingle planned for March 29, 2020.

XI. Internal Training Areas: Marjorie wants all board members to have their County's Training Documentation Forms completed by the March board meeting. This is a request from County Manager, Carol Ison. We are to keep up with the S.E.B. Rules for any changes with absentee ballots, etc.

XII. Roundtable discussion: We all agreed that Sharita is doing a great job. Mrs. Robinson asked about our office getting our own postage meter. Mrs. Howard will check into this.
