

Heavy Equipment Operator

The Talbot County Board of Commissioners is currently accepting qualified applications for the position of Heavy Equipment Operator/CDL driver for the ROAD DEPARTMENT.

This position is responsible for operating a variety of heavy equipment to construct and maintain roads.

Applicant must have a Class A commercial driver's license (cdl), high school diploma, or general education degree (GED), **knowledge of the operations and maintenance of standard construction equipment, grading, and the knowledge of the hazards of equipment operation.**

Salary will be commensurate with experience.

Interested applicants may send their resumes to cison@talbotcountyga.org, or should mail their application/resume with cover letter to Carol Ison, County Manager, P.O. Box 155, Talbotton, Georgia 31827.

Applications must be received no later than 4pm Friday, March 1, 2024.

If further information is needed, in reference to the scope of work, please contact Peter Nolan, Road Department Superintendent at 706-570-0904.

Applications are available in the Talbot County Board of Commissioner's office located at 35 West Madison Street, Talbotton, Georgia 31827.

Talbot County is an Equal Opportunity Employer and a Drug Free Workplace.
